

CSP COMMUNITY GRANT AWARDS 2015/17

The Community Safety Partnership has received a budget of £2,500 from the Police Crime Commissioner (PCC) to be spent on Community Safety. Projects within the Forest of Dean which are aligned with the PCC 6 priority areas (Accessibility and Accountability, Older but not overlooked, Young people becoming adults, Safe days and nights for all, Safe and social driving and Safer Cyber).

The maximum award will be £500 per project. Each award must have match funding. This grant will be made available until March 2017 or until all funds are allocated – they will be allocated on a first come basis.

Beneficiary	Charity Number	Amount awarded	Date awarded	Time period for which funding is given	Summary of purpose of grant/SLA	Awarded by
Forest of Dean Radio Control Club	Constituted Voluntary Organisation	£500	13/01/2016	March 2016	The award is towards the purchase of a lap timer to help with the delivery of the remote control cars project, run by volunteers. This project will link into other local community projects involving young people and its aims are to involve our youth and deter anti-social behaviour. The project links with the Police and Crime commissioner's own priorities and plan.	Forest of Dean Community Safety Partnership
