I agree to my name and my organisation's details being held on paper or electronic files. I understand that the information in this form may be shared with other local funders. If this application is successful, in full or in part, the group will keep to the following terms and conditions. I understand that this is an agreement between the group and the Forest of Dean Community Grant Scheme and **understand** and agree that:

1. We will use any grant for exactly the purpose set out in this application. The letter which tells us about the award will also explain if the funder wants us to alter any part of this application.
2. We will not make any major change to the project without first receiving the funder's agreement in writing.
3. We will not sell or dispose of any equipment or other assets which we have bought with a grant without first receiving the funder's agreement in writing. If we sell any equipment or assets, we may have to pay the funder part of the money we receive for them. The amount we repay will be in direct proportion to the share of the project cost that came from the funder.
4. We will not use a grant to pay for goods or services which we buy or order before we receive the award letter confirming the grant.
5. If we receive a grant for a pilot project, we understand that the funder will not automatically fund any later projects.
6. We will not change the sections of our constitution which relate to purposes, paying members of the governing body, distributing assets or admitting members without first receiving the funder's agreement in writing.
7. We will inform the funder of any changes to our bank or building society account.

We will make these available to the funder if asked. We understand that **this does not release us from our legal responsibility to keep records for longer periods.**
