

# ATC185 - A48 - NETHEREND, WOOLASTON

Assess the feasibility of road surface treatment to prioritise walkers and cyclists at Duncastle Court junction. This could include shared surface treatment to indicate a shared space surface.

Explore the feasibility of the provision shared use path along the A48, with horizontal separation between carriageway according to speed limits.

Explore the feasibility of a new pedestrian / cycle crossing from the footway on the eastern side of the A48 to the junction near Swan House.

Crossing improvements such as tactiles should be considered across the BP garage forecourt access.

Crossing improvements across the A48 / Clanna such as tactiles and dropped kerbs. The potential to extend the footway should be explored.

Explore the feasibility of reducing the speed limit or implementing traffic calming along the A48 through Alvington.

Crossing improvements across Knapp Lane junction which could include tactiles. If segregated shared path goes on the north side of the road, provide a toucan crossing.
