

## Notice of Review of Polling District, Places and Stations

I hereby give notice that Forest of Dean District Council will conduct a review of polling districts, places and stations in the local authority area.

The review will commence on **23 May 2022** and will be completed in sufficient time to enable the Electoral Registration Officer to make any alterations necessary to the register of electors when it is fully revised on 1 December 2022.

Electors, community groups, political parties, elected representatives or any other interested persons living within the Forest of Dean District Council area are invited to make representations, comments or suggestions on any aspect of the polling districts, places or stations currently used.

Representations will be sought from The (Acting) Returning Officer (ARO) and his comments will be published.

Interactive map of the current polling districts and polling stations can be inspected on the Council's website [www.fdean.gov.uk](http://www.fdean.gov.uk) or viewed in person by contacting the office to make an appointment.

Representations on the existing arrangements should be made in writing to the address below, by email to [elections@fdean.gov.uk](mailto:elections@fdean.gov.uk) or [web form](#) by no later than **Monday 4 July 2022**

When making representations, it would be helpful to the Council for any proposals to include alternative polling places or stations.

All representations made throughout the consultation will be published along with the conclusion of the review.

Dated **23 May 2022**

Andrew Knott  
Electoral Registration Officer
